DESCRIPTION

Porsche 911 Cpe GT3 2014

A true icon within the Porsche lineage, the 911 GT3 is engineered for those who seek a pure and uncompromising driving experience. This example has been meticulously maintained and carefully preserved, representing a rare opportunity to acquire one of the most engaging driver focused cars ever produced. At its core lies a naturally aspirated 3.8 liter flat six engine, delivering a thrilling soundtrack and razor sharp responsiveness. Paired with Porsches renowned PDK transmission, gear changes are executed with remarkable speed and precision, offering an experience that is equally exhilarating on the road as it is on the track. Every element of the GT3 has been developed with performance and driver connection in mind, from its rear wheel drive configuration to its adaptive suspension and rear axle steering, creating a level of balance and control that defines the Porsche driving philo...
